College CIS Login

This user manual explains the procedure for college authorities to obtain scholarship payment reports from the State Scholarship Portal (SSP).

- In order to access the College Information System application from an internet browser, open your internet browser and type https://ssp.postmatric.karnataka.gov.in/CIS/ in the address bar and press enter. Web Page as shown in the below screenshot will open.

- To add new colleges in SSP, they must first obtain an AISHE code through the AISHE portal.
- After receiving the AISHE code, the respective colleges must contact the Department of Higher Education to get added to SSP, Then, the colleges should collect their SSP login credentials from their affiliated university.
- Once the login details are received, college users must enter the username, password, and captcha as shown in the screenshot, and click the "**Login**" button.

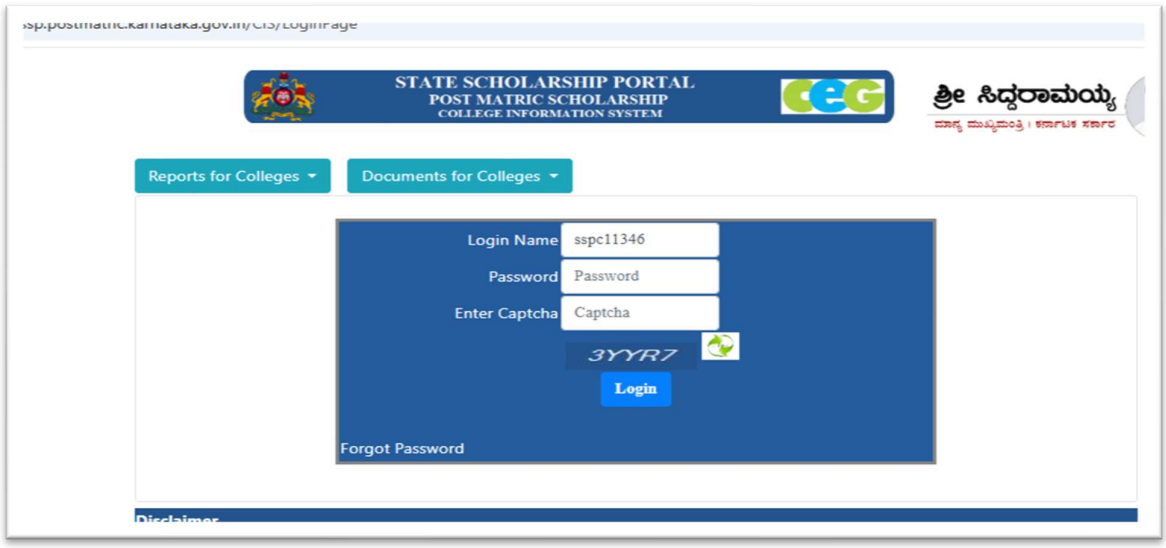

- College authorities must update their profile. For this, they should enter the officer's name, full designation (abbreviations should not be used), and the college name (which will be auto-filled along with the code — this college code should be noted down for

future reference). The complete address should be entered exactly as it appears in the AISHE portal. The principal's contact number and email ID must also be provided.

- This is a one-time process.

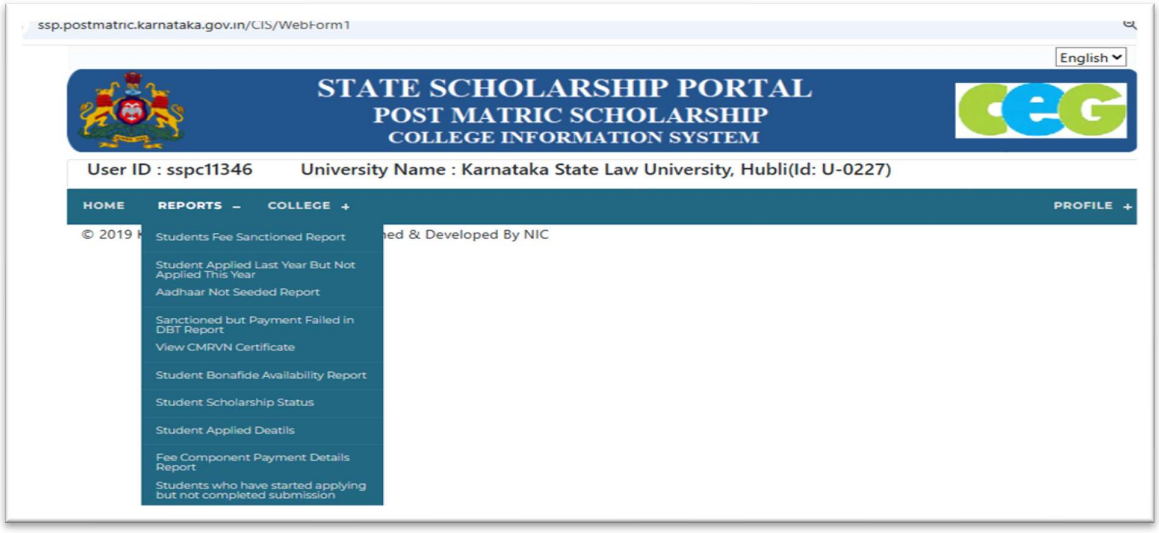

- As shown on the screen, the college user must enter the User ID, Password, and Captcha code, then click the "**Login**" button.

- The college user must enter the ODP received on their mobile number and click the "VALIDATE ODP" button.
